

Garden Hacks Show and Tell

Our favorite tools - Joanne

Handy Weeder -This thing weeds, digs holes for transplants, makes rows and much more. \$14,99 at A.M Leonards

Pitch fork – a standard that does everything, great for digging up potatoes and other root veggies - if you are careful!

Muck bucket on wheels! – makes weeding and moving soil, etc easy!

Garden hoe – loosens soil, makes paths, spreads soil

Garden twine and ties – great for tying up climbing plants and many other purposes!

A few of our favorite places – seeds and transplants

- The Garden Spot, Leominster -
- Stillman Farms, Lunenburg – great selection of heirlooms, veggies, herbs, annuals and perennials
- Dicks Market Garden, Lunenburg – great selection of veggies and annuals
- Applefield Farm, Stow – certified organic, great selection of veggies and annuals
- Lancaster Gardens – good selection of affordable veggies, herbs, annuals and perennials
- Johnnys Select Seeds: <http://www.johnnyseeds.com/> Maine
- High Mowing Seeds: <http://www.highmowingseeds.com/> Vermont
- Pine Tree – <http://www.superseeds.com/collections/plants-bulbs> Maine
- Turtle Tree Seeds: <http://turtletreeseed.org/> New York
- Filaree Garlic Farm - <https://www.filareefarm.com/>

A few of our favorite places – soil, amendments, tools

- A.M. Leonard - <http://www.amleo.com/> A great source for tools for the serious home gardener
- Spear and Jackson: <http://www.spear-and-jackson.com/products/garden-tools/small-hand-tools> - well made garden tools
- Agway – one still operating in Gardner! Amendments, soil, tools, seeds, transplants, potato starts and more!
- The Gardeners Spot – soil, mulch and amendments
- Applefield farm – organic soil, amendments and mulch

Our favorite gardening tips

- Newspaper and cardboard for weed block, setting paths
- Mulching – natural wood, shredded leaves, grass clippings, salt marsh hay

Tools to avoid

Standing weed pullers –you have to get on their level to get the buggers out!

Cheap soaker hoses!

Upcycle Ideas

- Use milk jugs for watering cans
